

ELECTRONICAL VOICE ASSISTANT **E.V.A.**

Lie down, close your eyes and enjoy! The Electronic Voice Assistant (E.V.A.) means that, for the first time, the sunbed can be operated using voice commands. The Electronic Voice Assistant (E.V.A.) can be activated with just one click on the large external display.

1) STARTING VOICE INPUT

Touch the display or say "EVA" at low music volume.

2) GIVING VOICE COMMANDS

ADJUSTABLE FUNCTIONS:

Foot ventilation, Body ventilation, Facial ventilation, Temperature, Facial lamps, Body lamps, LEDs, Aqua Fresh face, Aqua Fresh body, Aqua Fresh complete, Aroma, Voice Guide, Volume, Music source, Track.

SIX SETTINGS:
